SY M-201 Desktop

Frontpanel opened

Interior view

The **M-201** is a modern desktop case, that offers space for a Mini-ITX or a Micro-ATX Mainboard (max. depth 210mm).

The front door can be opened up to the side and releases the external drive bay. The USB and audio connectors are placed on the top of the front door and can be used without open the door.

A powerful 300W power supply provides enough power for all components.
